Feature Explanations

COMBAT · ACTIVE

Rage

At the table: You fly into a rage, and become more dangerous and tougher for it. This is the core feeling of playing a Barbarian.

Mechanically: Activate as a Bonus Action. While raging: +2 to melee Damage Rolls using Strength, resistance to physical damage (bludgeoning, piercing, slashing). Lasts 1 minute or until you stop attacking. Uses per long rest: 2 at level 1.

Relentless Endurance

At the table: You stay standing where others go down: once per long rest your sheer toughness saves you.

Mechanically: When you drop to 0 hit points without being killed outright, you drop to 1 hit point instead. Once per Long Rest.

COMBAT · PASSIVE

Unarmored Defense

At the table: Your body is your armor. You don't need plate mail. Your raw Constitution keeps you safe.

Mechanically: Without armor, your AC = 10 + your Dexterity modifier + your Constitution modifier. This is often better than medium armor, especially with high Constitution.

Savage Attacks

At the table: Your critical hits are especially brutal.

Mechanically: On a critical hit with a melee weapon, you roll one additional weapon damage die.

ROLEPLAY · PASSIVE

Background: Shelter of the Faithful

At the table: You grew up in a temple and devoted your life to serving a deity. Religions, rituals, and sacred texts are your home ground.

Mechanically: temples of your faith offer you free lodging, food, and sometimes aid from the faithful.

Menacing

At the table: Your very presence feels threatening.

Mechanically: You have proficiency in the Intimidation skill.
